

Josh Mahoney bowling for Laharum

*The year is creeping along with sport and various groups well underway. Let's hope for an 'interruption-free' year! Keep well!
 Enjoy getting involved and back into recreation and local groups.*

Liz Hopkins

Sunday March 6
 Clean Up 

Laharum Tennis Club

Our B Special team is having a great season so far, not having lost a match – fabulous effort! We have had good numbers, so the team is doing well.

We played a Friday night match which went really well. Well done everyone!

Yoga at Laharum Hall

Yoga is back for 2022.

Sessions start at 7.30pm on Wednesdays at Laharum Hall. Join participants and experience the benefits of yoga.

It keeps our bodies flexible; builds muscle tone; maintains a good level of fitness and is a great stress relief – particularly important as we get older! Come and give it a go with our friendly group of participants! Minimal charge towards hall hire.

Please contact me on 0417 056219 if you plan to attend for the first time.

Judy Berendsen

Laharum Hall Committee

Laharum Hall Committee of Management meeting will be held on **Monday February 21, 7.30pm.**

All residents of Laharum Wartook community are welcome to attend. Future grant applications and Festival of Small Halls will be discussed.

Judy Berendsen, Secretary

Brimpaen Craft Group

We meet at Brimpaen Hall at 10.30am.

Tuesday March 1 - we will make a 'purse tidy' with a pot holder.

Tuesday April 5 – bring your own craft.

Gerard Matthews & Brenton Roberts raising the Australian flag at the Brimpaen breakfast

Laharum Cricket Club

Happy new year everyone.

B Grade remains in contention for finals, holding onto 4th spot on the ladder with a couple of must-win games and a bye to come in the run home to finals.

We are fresh from our first win for the calendar year following a 4 wicket haul to Connor Cowan who turned the match in our favour. Griffio and Chamo got our run chase off to a flying start to see us get the points against Lubeck Murtoa with perfect conditions at Laharum.

C Grade have had a win and a loss since coming back after the break. C Grade are sitting 3 games outside of the top 4, with 4 games remaining in the season. They'll need a few results to fall our way to make finals. A special thank you from Captain Dan Mibus to the youngsters who have been stepping up consistently this season. It is pleasing to watch their progress week to week.

Juniors recommence this coming weekend following a break for the school holidays. They remain well in contention for finals, sitting third on the ladder.

Blasters will recommence February 13 for four sessions in Term 1 to complete the program. Thank you to all who have helped out with this program this season.

Presentation evening will be planned following season completion and will be advised via our Facebook page.

A 10 year reunion for the 2011/12 B Grade Premiership team will be held **Friday February 25** from 6:30pm at Royal Hotel, Horsham. Meal and drinks available at bar prices. A courtesy bus may be negotiated by interested parties. Follow the Facebook page for more details closer to the date.

A couple of career milestones which have occurred so far this season -
Daniel Mibus 200 wickets, 27/11/2021
Ben Peucker 7,500 runs; 100 stumpings 22/1/2022
Josh Mahoney 2,500 runs 5/2/2020; 150 wickets 29/1/2022

A special thank you to our sponsors for their ongoing support, and a reminder that new players are always welcome to join. Yours in cricket.

Ben Peucker, President

Wimmera Regional Library

The Library is open from 9am-5.30pm
Monday to Friday and 9.30am-1pm
Saturdays.

'Call and Collect' is available by ringing staff on 5382 1777 or online at www.wrlc.org.au
Ann Twyford, CEO

Collection Lockers & Returns Bin at Laharum Hall

Wimmera Libraries in conjunction with HRCC and Laharum community, is returning limited library services back to the Laharum community.

Collection Lockers and a Returns Bin will be installed at Laharum Hall soon.

Once these have been installed, Wimmera Library patrons can place 'holds' on items and choose Laharum as their pickup location. Requested items will be checked out to the patron and placed into a locker. Patrons will receive a notification with a unique code to access the locker. Patrons can also ring their local library branch to organise items to be sent out to Laharum.

All Wimmera Library items can be returned into the Returns Bin, even if it was borrowed at another Wimmera Library branch.

Access to the lockers and Returns Bin will be 24/7. Wimmera Libraries will advertise on their website and Facebook page when the services begin.

Jenelle Patterson, Support Services WRLC

WIM RESOURCE

Think Ahead, Move Ahead

Staveley Block 10 Project Update

WIM Resource Pty Ltd (WIM) is continuing our exploration program for the Staveley Block 10 Project (EL 6873) following on from 2021 which saw a three-week exploratory drilling program in February and an aeromagnetic survey in May.

In January this year WIM successfully completed a low impact geophysical survey using a local Horsham-based contractor. Using a technique known as Gravity, measurements are collected from the gravitational field at a series of different locations over a number of areas of interest. This helped define the underlying geology using variations in rock density and the results inform further drilling.

WIM will conduct further low impact exploration in 2022 beginning mid-February for two weeks and mid-March for a further two weeks. These air-core drilling programs will be carried out across various sites within the project area and wherever practical, on public road reserves.

If you have a question about WIM or the Staveley Block 10 Project, look out for our next information booth or community information session. Alternatively, please contact Murray Wilson, Stakeholder Liaison Officer via email at mwilson@wimresource.com.au or free call 1800 959 298.

David Jelley, Staveley Project Manager

Education News

Welcome to the 2022 school year at Laharum Primary School. We extend a very warm welcome to our new family at Laharum; Trevor, Kate & Eden and look forward to getting to know you all better as the school year progresses.

Our first week has started very smoothly with all students including our new Foundation student, Eden who is settling in very quickly to the school routine and working very well.

Although we are a smaller cohort than last year, we have some creative and exciting programs planned to keep our students engaged and actively learning, including weekly integration sessions to the Haven campus of the Horsham West and Haven Primary School.

Again, this year we are fortunate to have exceptional teachers who have their own specialties ensuring our students receive instruction from experts in their fields. Along with our Literacy, Numeracy, Science, Humanities and PE core learning areas, we are spoilt with expert tuition in Art, Music and our Specialised Art, Environment & Wellbeing program offering students unique experiences and activities.

Our grounds are looking beautiful with our smaller plants now quite substantial due to consistent rain. Thank you to Flip & Chris who maintained our school yard over the summer break, allowing us to return to lush lawns and a tidy yard.

Our 2021 Year 6 students have now entered their Secondary level of education and we wish them all the best and congratulate them on their respective awards received at their Presentation Ceremony in December 2021.

Our 'Laharum Lorikeets Playtime', part of our integration and transition program for the students and young children in the local area, started again on Friday February 11 from 10am–12pm. Please encourage any families with young children to come along and enjoy a fun morning with other local children enjoying planned activities and playing with each other. It is also a nice catch-up for the parents to have a cuppa and a chat.

We look forward to another positive year at Laharum and encourage any families still looking for a great education for their children with exceptional programs and individualised learning, to come and visit the school and meet the teachers.

Little schools can do great things!

Jenny Uebergang, Office Administration

Brimpaen Tennis Club

We are back into tennis for the second part of the season. We have had mixed results, but if we could get on a winning streak we have a chance for the finals. Fingers crossed!

The courts are finished and are looking great. We have played on them a couple of times which has been really good. Hopefully they can bring us some luck!!

Courtney Dunn

KnitKnaX & KnitWitZ

Laharum Rural CFA

Over the last couple of months the Brigade and its members have been kept reasonably busy. Mostly supporting call-outs to fires in the Green Lake and Wonwondah areas. Plus our Brigade has supplied members for strike teams supporting the Poolaijelo New Year's Eve fire which burnt over 7,300ha and also the Edenhope fire a couple of weeks ago. Locally we've had a call-out to a rescue where a vehicle was stuck on the edge of Carter's Track, and also a lightning strike on our property. Massive thanks to those who attended.

A big shout out for everyone who has made themselves available to go on the strike teams and continually responding for our local fires. The season is far from over, so your continued efforts to respond will be greatly appreciated.

COVID 19 - Just a reminder to be Covid safe. QR Code check-ins are still required at the stations. With a few cases popping up locally, please let your captain know if you unfortunately do catch Covid. This way we can work around the situation if your property does get impacted by fire or if you are unable to attend.

Let's face it, we have to live with it now and precautions are a part of life, and every effort to reduce the impact is vital in the community. It's kept confidential, but it also helps us know our available members in the event of a fire.

Training - Things have been kept quiet on the training front because of the fire danger period. We've had a couple of people show interest in becoming a brigade member, which is great.

General fire fighter courses are planned for District 17 for anyone who wishes to join up. Please contact myself or our Training Officer, Francoise Thornton Smith if you'd like to join up or for any other training queries.

Supplementary Alerting Service (SAS) app - Thanks to everyone who has downloaded this free app. Without sounding like a broken record, just another reminder to all members we ask that you download the SAS app to receive all pager messages. A very useful app to help all members be notified of incidents and respond when available. Passwords have been made up for most members of the Brigade, so please contact me if you wish to get this app.

Harvest - With harvest completed, from what I can gather the Grampians Group only had one harvest related fire that was reported. Great work by all the farmers and contractors to keep us virtually fire-free.

With a couple of Total Fire Ban days and a couple of 'blow up days' we appreciate everyone's cooperation to cease harvest when required. It can be frustrating at times but it's all about stopping a major fire starting which provides more inconvenience for many others.

Fire Safety and Prevention - With many farmers taking on stubble mulching and paddock preparations for burning off, please note the rules & regulations when using machinery in paddocks with extinguishers and firefighting units in paddocks etc.

With the few storms we've had, please continue to clean up around your properties and check gutters for material build up.

We've had a relatively quiet summer locally, so let's do our bit to keep it that way by thinking 'fire safety'.

If anyone has any brigade queries, please feel free to contact myself on 0428 838242 or Francoise Thornton-Smith on 0484 909150.

Luke Dumesny, Captain

CFA District 17

Process for Notifying Covid Positive Member or Close Contact Isolating for CFA Volunteers - If you have a confirmed case of Covid (either via RAT or PCR) or are isolating due to exposure, **you must immediately notify your Brigade Captain** and isolate according to Department of Health requirements.

Then, please use the CFA Members website to notify CFA that you are currently isolating due to being Covid Positive or a close contact. You can call or text me to do this on your behalf. This helps to manage brigade capability to turn out.

If you have attended the fire station, a CFA activity or turned out on a CFA vehicle within 48 hours of symptoms beginning or a positive test, the Captain must notify the Rostered Duty Coordinator (RDC).

If there has been no fire station/activity/vehicle exposures, all you need to do is notify the Captain and record your status on the website.

Booster Record with CFA - CFA is also required to record your Covid Vaccination Third Dose (booster). Only the date of your booster shot is needed. You can input this yourself via the website or call/text me to complete it on your behalf.

Truck Rosters - I have had a break from sending out truck roster reminders for a few weeks due to being very busy. I plan to resume them this week. BASO Louise McGillivray 0438 673 144

l.mcgillivray@cfa.vic.gov.au

Louise McGillivray, Brigade Administrative Support Officer

Laharum Landcare Group

We will be meeting at Laharum Hall on **Tuesday February 15** at 7.30pm. We hope to meet Annie Hobby, the new Landcare Facilitator. We will also discuss the program for the year including rabbit baiting trials, ordering indigenous plants for local projects and noxious weed control.

Everyone is welcome, especially anyone new to the area and those who would like advice for their own properties. Contact Wendy McInnes on 0428 840662 or myself 0490 830769.

Gil Hopkins

Rabbit baiting stations trials - Wartook rabbit population seems the highest I've ever seen it. I'm not sure about other areas.

Plants for properties – Laharum Landcare Group has ordered native trees, shrubs and grasses to be shared around the members of the group free of charge. Expressions of Interest sought for June 2022.

Free Pancake breakfast – Sunday March 6, 8.30-9am at Laharum Hall then a one hour Roadside Clean Up (location TBA) followed at 10am by our March Veggie Swap (*note Swap change of venue*).

Wendy McInnes

North West Grampians Branch of Horsham Lions Club

Welcome to 2022! We hope you all had a welcome break over the school holidays. We were lucky enough to have a Christmas breakup at Horsham's Sports & Community Club on December 7.

Driver Reviver assisted TAC with a sausage sizzle on Boxing Day and at the Gazebo at Green Lake on December 27. Driver Reviver had been operating on the weekends 10am–2.30pm (shorter hours) at Green Lake.

Our new History Board is about to be finalised and we hope to have it installed on the rear wall of the Driver Reviver kiosk in the coming weeks.

Our first meeting was held at Green Lake barbecue gazebo on February 1 with a sausage sizzle. We look forward to assisting our community in the coming months.

Our next meeting will be held at Laharum Hall on **Tuesday March 1** at 7pm.

Libby Peucker

Horsham Rural City Landcare Facilitator

The New Year has started off well for Landcare in the area with planning underway for 2022. Horsham Urban Landcare recently held a meeting to plan events including a Passata-making demonstration and workshop for the start of March.

The Patch Community Garden in Horsham is also preparing for a big harvest of fresh fruit and vegetables.

Laharum Landcare will be holding their first meeting of the year on **Tuesday February 15** and the veggie and produce swaps have resumed.

There are some good grants available at the moment for Landcare and community groups. Horsham Rural City Council Community Development Grants are a great one to apply for with up to \$10,000 being available. Applications close on **Tuesday March 1**. See the website for all the details: <https://www.hrcc.vic.gov.au/Our-Services/Grant-information/Community-Development-Grants-Program>

With school back for Term 1, I am also looking for opportunities for Junior Landcare activities which will be open early this year. If there are groups looking for assistance in applying for any funding, please get in touch.

For those looking for training opportunities, there are still plenty of free online webinars available which I hope will continue. One that I recently watched and found really informative was hosted by Trust for Nature on pest animal management of deer, rabbits, cats and foxes and showcased some new and novel ways of tackling pests: '*Managing pests: what to do and what not to do - YouTube*'. There is also a free course available from RCS on preparing for drought:

https://www.rcsgloballearning.com/courses/rcs-drought-preparedness?fbclid=IwAR0Zs0yvoGy0LK9X9DvGE_d_QbnsLHPkSR6zpuUi2GMiVGBYFdsbVtmfXVak

I'm always happy to chat more about Landcare opportunities. Please get in touch at annie.hobby@hrcc.vic.gov.au or 0407 914498.

Annie Hobby, Landcare Facilitator

Applications for Horsham Rural City Council's Community Grants Program are open for not-for-profit groups to deliver projects which directly benefit residents. Clubs and organisations can apply for a share of the funding via the HRCC website from February 1 until March 1. Grants have been highly successful over the past 12 months with dozens of local projects worth \$255,449 allocated funding.

If you are part of a community group and would like to find out more about the program and to make an application, please get along to the online Information Session on **Tuesday February 15**, 12.30–1pm. Council staff will provide an overview of the grants program and be able to answer questions about your community projects.

To join the online session, visit http://bit.ly/HRCC_Comm_Grants

Beat the bite this mosquito season - With summer in full swing, HRCC is monitoring mosquito numbers, locations and potential public health threats. See photo page 11.

Environmental Health Coordinator Luke Mitton said monitoring started in November and runs through to April each year. The wetlands around town are being treated with a larvicide and will prevent the mosquitoes from becoming adults.

Stop Bindii before it seeds - Residents are being asked to contact HRCC if they notice Bindii on Council-managed property and to remove the weed from their own land to help stop its spread. It is very easily spread once the seeds form and the thorns stick to tyres and shoes and spread through parks, nature strips and lawns. See photo page 11.

Council crackdown after attacks on sheep - HRCC is reminding dog owners of their responsibility to properly control their pets after sheep were attacked on a farm near the edge of town.

Community Safety Coordinator Jason Brady said HRCC had received reports about dogs roaming out of sight of their owners in semi-rural areas. Dog owners must take responsibility for their animal or they could be held liable.

Robert Somers Media & Communications Officer

Wonwondah Landcare Group

The group has received funding from Wimmera Catchment Management Authority to continue rabbit control works in our area. Once the weather cools and is safer to work in the paddocks, this program will commence.

Members need to be vigilant because of increasing number of snails currently up trees and fence posts. This is the ideal time to bait before autumn rains start.

Our next meeting will be **Tuesday March 1** at Guest's dairy with a guest speaker, all welcome.
Chris Guest

Grampians Olive Co

Farm shop open Monday to Friday 11am-4pm.

Detox your Home is coming to your area!

Dispose of everyday household chemicals such as bleach, pesticides, weed killers, cleaning products, cosmetics and cooking oil without harming your health or the environment.

Register today for Sustainability Victoria's free Detox your Home event, a household chemical drop-off day.

Why recycle household chemicals?

Household chemicals can be dangerous. They can harm your family and pets, add extra fuel to a house fire, release toxic fumes and pollute the environment now and into the future. Disposing of these items responsibly will:

- reduce the risk of poisoning, keeping your family and pets safe
- keep toxic chemicals out of waterways, and
- minimise environmental pollution and fire hazards.

Detox your Home events are now drive-through and contactless, supported by a COVIDSafe plan.

Detox your Home is a free service for all Victorian householders. It is administered by Sustainability Victoria in partnership with local councils and is funded by the Victorian Landfill Levy.

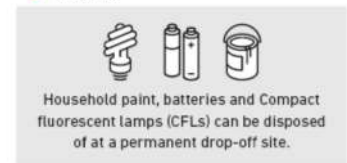

Detox your Home accepts:

- ✓ Acids and alkalis
- ✓ Aerosol cans
- ✓ Anti-freeze
- ✓ Brake fluid
- ✓ Car body filler
- ✓ Car wax
- ✓ Cleaners – ammonia based
- ✓ Cooking oil
- ✓ Coolant
- ✓ Detergents, disinfectants and drain cleaners
- ✓ Fertiliser
- ✓ Fire extinguishers
- ✓ Floor-care products and waxes
- ✓ Fuels – petrol, diesel, kerosene, other
- ✓ Glues – water-based and solvents
- ✓ Herbicides and weed killers
- ✓ Insect spray and pesticides
- ✓ Nail polish and remover
- ✓ Oven cleaner
- ✓ Thinners, turps and paint stripper
- ✓ Pool chemicals
- ✓ Rat poison
- ✓ Solvents
- ✓ Transmission fluid
- ✓ Wood preservatives and finishes (oils and varnish)
- ✓ And other items found at home with these symbols:

Detox your Home does not accept:

- ✗ Paint
- ✗ Fluorescent tubes
- ✗ Compact fluorescent lamps (CFLs)
- ✗ Batteries – car and household varieties
- ✗ Ammunition or firearms
- ✗ Asbestos
- ✗ Chemicals used by businesses
- ✗ Farm chemicals
- ✗ Gas bottles
- ✗ Motor oil

For information on where to dispose of the above products, contact your local council.

Register Now

To register for an event near you, simply scan the QR code or visit sustainability.vic.gov.au/detoxyourhome or call 1300 363 744.

Please note that events are held annually at locations around Victoria.

For safety reasons we can't accept containers of more than 20 litres or 20 kilograms. Please bring chemicals in their original packaging or in disposable containers.
