Master Plan development for Sunnyside Park

What is happening?

Horsham Rural City Council is seeking suggestions to develop a landscape master plan for Sunnyside Park.

Who has been involved so far?

The Sunnyside Park Advisory Committee and HRCC are working together on this project.

Why is this happening?

A master plan provides a framework so that as funds become available, facilities and upgrades can occur. The planning process also provides an opportunity to consider how the park is used and how it might be developed to better serve the needs of individuals, families and both sporting and social groups.

What has this first stage of consultation?

Consultation with committee members identified opportunities to create meeting and play spaces, improve pathways and movement through the park. Talks also found opportunities for sports groups and the community to work more closely.

What can you do?

Take time to consider the draft planning we have done by visiting the 'Have Your Say' page on Council's website. We are seeking your suggestions to help create a master plan so the park reflects your interests and is welcoming and safe for our community. You can submit feedback online and there is also an information session at Sunnyside Bowling Club on **Monday 21 May from 7.30pm to 8.30pm**. Alternatively, you can forward suggestions to Mandy Kirsopp at the Civic Centre, Roberts Ave, Horsham.

When does the consultation period close?

Please ensure your ideas and suggestions are forwarded to Council no later than **Tuesday 22 May 2018**. Suggestions and comments will be discussed at the Sunnyside Park Advisory Committee meeting on 23 May.

For more information about the project please call Mandy Kirsopp, Project Officer, on 5382 9787 or 0408 826 727 or email mandy.kirsopp@hrcc.vic.gov.au
