

Video scoreboard for Horsham City Oval

Players and spectators will benefit from a new LED video scoreboard to be installed at Horsham City Oval in time for this season's football finals.

The screen will measure 3840mm by 1920mm and boast a pixel density of 10,000 dots per square metre - allowing replays and other video content to be shown.

The \$40,000 project is being funded by Horsham Rural City Council with contributions from Horsham Football and Netball Club.

Councillor Les Power said the screen would be mounted on the existing scoreboard structure and replace the manually operated scoring system.

"This is one of a series of improvements we have been planning for the City Oval and it is pleasing the scoreboard will be installed in time for this year's football grand finals," Cr Power said.

"An electronic scoreboard brings revenue raising opportunities for clubs, recognises the important contribution that volunteers and sponsors make and allows clubs to promote themselves in their community like never before.

"Nowadays, it's also a major boost for players as many teams rely on digital clocks to organise their interchange rotations and other tactics."

The new scoreboard will also benefit other sports such as cricket.

"During cricket matches, scorers will be able to display extra information including bowling figures and run rates," Cr Power said.

"Any community group can also arrange to hold a public event and use the screen."

The new scoreboard is part of a series of improvements for the venue in the coming years with a master plan set to be developed, allowing all user groups to be involved in developing an enhancement strategy.

CAREERS

Our thriving regional centre is a great place to live and work. To meet the challenges of growth and change, a review of the organisation has created a number of new positions at various levels within the staff structure.

If you would like to join a friendly and proactive team and contribute to the transformation of Horsham Rural City Council, please consider applying for one of the following permanent positions:

- **Manager Strategic Asset Management**
- **Co-ordinator Recreation & Open Space Planning**
- **Co-ordinator Strategic Planning**
- **Co-ordinator Youth & Early Years (up to 0.8EFT)**

Further enquiries can be directed to the Organisational Development Manager, Tony Schneider, (03) 5382 9719 or hr@hrcc.vic.gov.au

To view the position descriptions and to apply for any of these positions please go to: hrcc.vic.gov.au/Our-Council/Work-With-Us Applications close online at 10pm Monday 6 August 2018.

IMMUNISATION

**Thursday
2 August
8.30am to 10am**

**Tuesday
14 August
4pm to 5.30pm**

Enquiries: Shirley Brown Ph: 5382 9769

Location change for immunisation session

The next public immunisation session, this **Thursday 2 August**, will be held at the Council Offices, 18 Roberts Avenue Horsham (not the Kalkee Rd Children's Hub).

The session runs from 8.30am until 10am.

Who's up for a Fun Night In?

Are you and your friends aged between 12 and 18?

Youth CAN is offering free packs for you to have a Fun Night In.

You can choose from footy, movies, pamper, art or games packs.

What's the catch?

You just need to snap a photo/selfie and post it on Youth CAN's Facebook page to show you and your friends having a Fun Night In.

Remember to use the hashtag #FunNightIn.

There are prizes to be won for the most creative photos.

The Youth CAN Project is part of the Vichealth Alcohol Cultural Change Initiative.

The vision is to see more people socially supporting one another to reduce risky drinking. For enquiries contact 53829 534.

Road trips shows Wimmera's progress

In recent weeks Councillors and Directors, along with our new CEO, have been out and about visiting a variety of locations across the Municipality.

This included local schools, our hospital, sporting facilities, the CBD retail precinct in Horsham and then a road trip 'around the bounds'.

From an expanding Wimmera Intermodal Freight Terminal to a guided tour of our landfill, a visit to our good friends at the Natimuk Men's Shed and up the road to see Lynne and her team's wonderful work with our young people at the Gymnastics Club.

Still in Natimuk, the tour stopped off at the new museum to learn about the collecting and displaying of our heritage and then it was a trip down a variety of local roads to see and experience local issues.

This was also an opportunity to observe the progress of our local cropping programs and the variety of livestock currently being farmed.

A guided tour of the Grampians Olive Company gave an insight to the great work done and the opportunities for locally grown products on the national and world market.

It was then across to Laharum to meet some appreciative locals for recent improvements to both the sporting precinct and the iconic local hall.

The road trip concluded with a visit to Dadswell's Bridge, to meet with Daryl Deutscher at his Turkey Farm. A great Australian, a fantastic example of a hard-working small business owner, doing what he loves.

Both trips painted a picture of progress, pictures of growth and of confidence, pictures of optimism with a spirit of positivity.

Council has an on-going role, not to just 'keep up' with progress, but to show leadership in planning and 'clearing a way' for progress with provision of services and facilities into the future.

Proposed to changes to meeting procedure

Council is proposing to make changes to its meeting procedure and the public has the opportunity to provide feedback.

The majority of changes relate to Councillor reports and acknowledgments as well as motions and debate.

A copy of the proposed amendments can be downloaded from the Have Your Say section of Council's website.

Submissions close **9 August 2018** and can be entered online or mailed to the Chief Executive Officer, Horsham Rural City Council, PO Box 511, Horsham 3402.
