### Community Development Grants

#### 1. PURPOSE

Horsham Rural City Council (HRCC) Community Development Grants Program helps groups in the Horsham & district community to improve community facilities and work together for more engaged and healthy communities.

This policy provides the framework for the delivery of Council's Community Development Grants Program.

#### 2. INTRODUCTION

The HRCC Community Development Grants Program is an annual funding program that allocates grants to local not-for-profit organisations, groups and associations every year. This policy outlines the funding priorities, eligibility, application requirements, assessment criteria, grant approval and payment processes, timelines and reporting process, and general information.

#### 3. SCOPE

This policy is applicable to all community not-for-profit groups who operate in or provide activities for the benefit of the residents of Horsham Rural City Council.

#### 4. DEFINITIONS

N/A

#### 5. PRINCIPLES

The HRCC Community Development Grants program is an annual funding program allocated as part of Council's yearly budget process to not-for-profit community organisations.

## 5.1 Funding Priorities

The Community Development Grants Program is linked to the key priorities of the current Council Plan and Health and Wellbeing Plan. Accordingly, successful applications should support one of the following key funding priorities:

- A. Social connection
- B. Physical activity
- C. Healthy, safe and liveable environments
- D. Education and economic development
- E. Public health and safety
- F. Healthy eating
- G. Prevention of violence against women
- H. Disability Access

An application may also be lodged for any project that may not fit the key funding priorities but is linked to other Council Plans or Strategies or has a community focus.

Council may, for a particular year, add or change key funding priorities.

The maximum allocation per organisation is \$10,000 although the majority of successful applications range between \$500 and \$5,000. Council may consider a larger staged project over a number of years for an application in excess of \$10,000.

Projects which have a significant cash and/or in-kind contribution by the applicant organisation are encouraged.

Total funds made available, for a particular financial year, will be a decision of Council within the annual budget process.

## 5.2 Eligibility

All not-for-profit organisations, groups and associations based within Horsham Rural City Council may apply for a community development grant.

The project must be delivered within the Horsham municipality and include direct benefits for residents of the municipality.

Who cannot apply and what projects are ineligible for funding?

- Individuals
- Those seeking funding for a commercial business
- Those groups who have not expended or reported back on a previous grant allocation
- Funding for organisational operating costs, e.g. wages and utilities
- Projects that are the responsibility of other sectors of government

- Projects that are a clear duplication of other services
- Projects that have already commenced
- Applications that are received after the closing date.

Projects are to commence after 1 July and be completed by 30 June of the following year.

### **5.3 Application process**

Eligible groups must apply by the due date and using the form supplied on the HRCC Council website: Guidelines and templates for the Community Development Grants <http://www.hrcc.vic.gov.au/community-grants>

#### All applications must include:

- Completed details of what the grant funds will be spent on
- An indication of other funds that will be put towards the project
- An estimate of volunteer in-kind support for the project
- A quote for all goods and services over \$1,000
- A copy of the organisation's most recent audited financial statements where the application shows a cash contribution from the organisation of >\$5,000
- Endorsement of all groups/organisations who will use or benefit from the project, including the over-arching body who auspices the group or the Section 86 Committee (if applicable)

### **5.4 Assessment Criteria**

Applications will be assessed using the following criteria:

- The level of contribution to the project by the applicant
- The extent of previous assistance provided by Council. Submissions from a previously unfunded group will be given a higher priority in the assessment process
- The spread of grants across community, cultural and sporting areas (including geographic spread)
- How well the project supports Council's priorities in terms of the Health & Well-being Plan and Council Plan
- Value for money – considering membership and number of users to benefit from the project
- Council may determine that one or more significant projects may have preference over several smaller projects

### **5.5 Assessment Process**

- All applications are received by the Records Department and saved electronically.

- The Grants Officer prepares a Grants Summary which ranks applications in accordance with the assessment criteria
- Initial assessment panel consisting of:
  - Grants Officer
  - Finance Manager
  - One representative of Technical Services, Community Services and Economic Development and Planning
- The initial assessment panel makes recommendations to the Executive Management Team
- Sport & Recreation projects are referred to Council's Sport & Recreation Advisory Committee for prioritisation before final approvals are made
- Executive Management Team endorse final grants list
- Final adoption by Council as part of the yearly budget process

Council may only allocate part funding for a project rather than the full amount requested in the application.

A grant allocation by Council does not mean any ongoing funding commitment or obligation by Council.

Applications seeking sponsorship for marketing and promotion of a local event outside the municipality are referred to Council's Tourism Events & Festival funding program and guidelines.

HRCC assistance should be acknowledged on any promotional material or media coverage relating to the successful project.

## **5.6 Time lines**

Time lines are established by the Finance Manager in December each year to fit in with the budget process for the following year. General guideline for timelines is as follows:

- |                        |                 |

| • Applications close   | End of February |
| • Council Adoption     | End of April    |
| • Advice to applicants | End of April    |

## **5.7 Grant payment**

In general, Grants will be paid in October of each year; however the payment date may be varied in justifiable circumstances, upon written request to Council.

Payment of grants will be made upon receipt of invoices or evidence of project payments by the organisation. These invoices and payments must coincide with the

grant financial year.
