

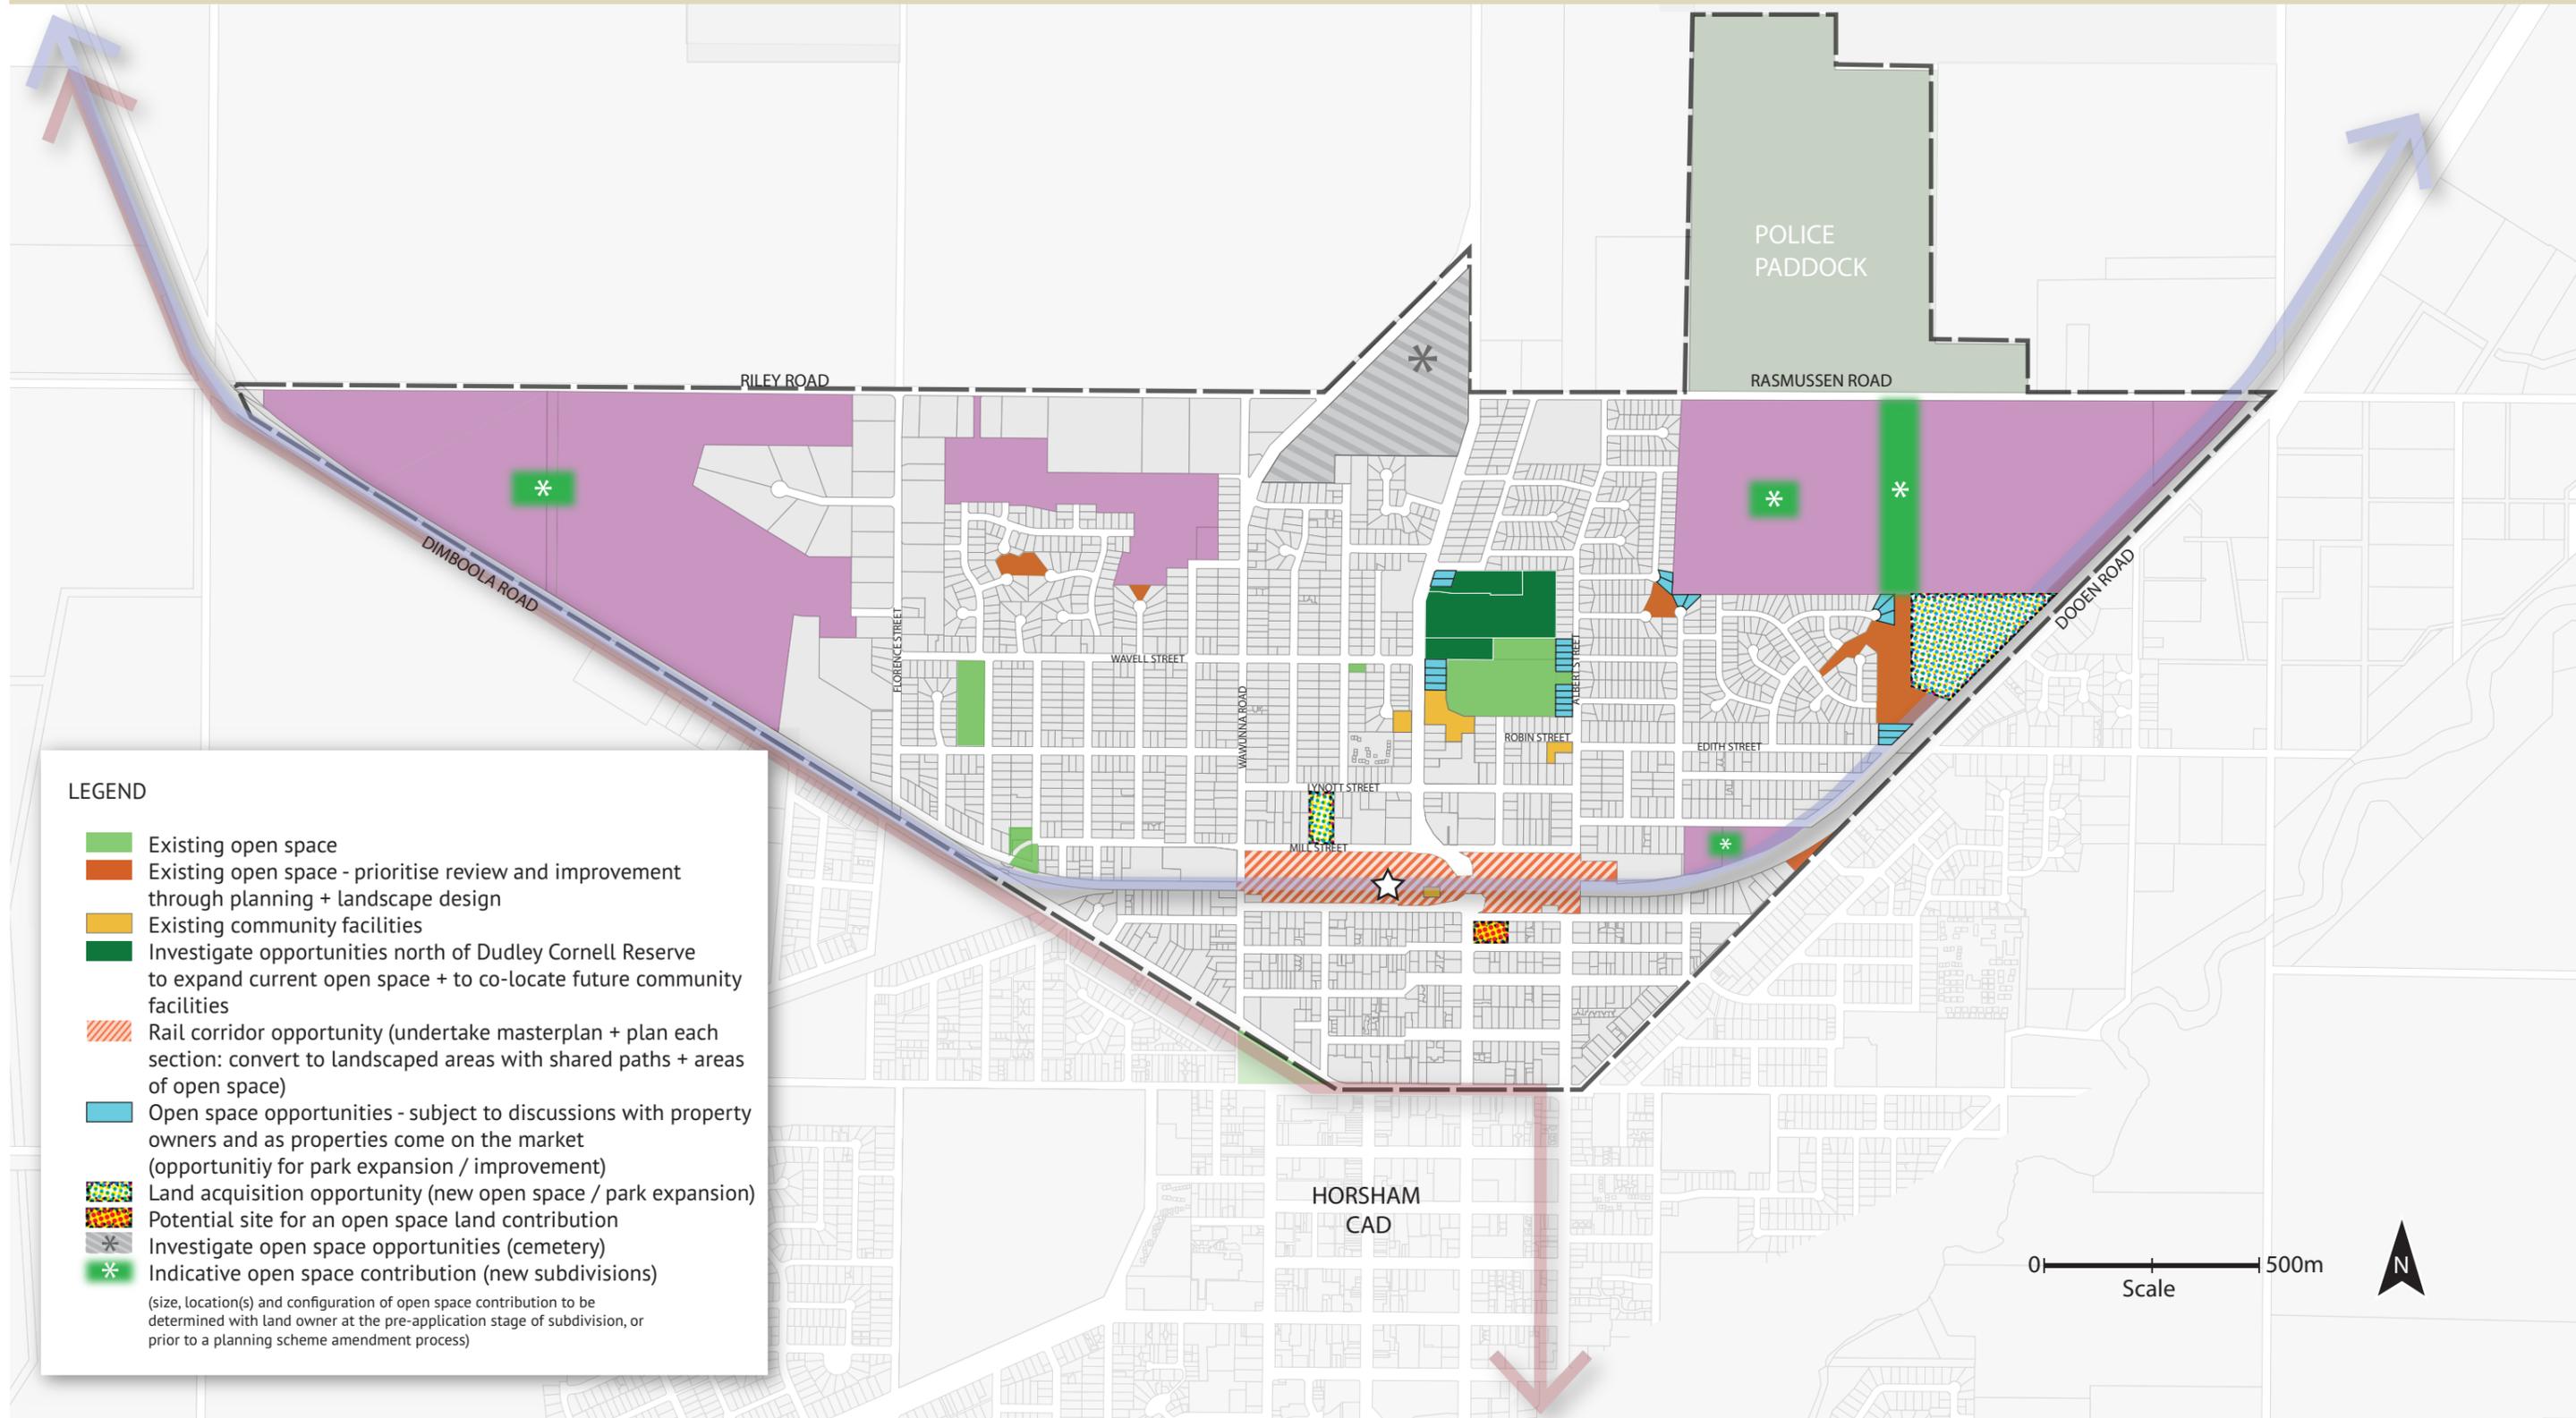

FIGURE 6: PUBLIC + OPEN SPACES

LEGEND

- Existing open space
  - Existing open space - prioritise review and improvement through planning + landscape design
  - Existing community facilities
  - Investigate opportunities north of Dudley Cornell Reserve to expand current open space + to co-locate future community facilities
  - Rail corridor opportunity (undertake masterplan + plan each section: convert to landscaped areas with shared paths + areas of open space)
  - Open space opportunities - subject to discussions with property owners and as properties come on the market (opportunity for park expansion / improvement)
  - Land acquisition opportunity (new open space / park expansion)
  - Potential site for an open space land contribution
  - Investigate open space opportunities (cemetery)
  - \* Indicative open space contribution (new subdivisions)
- (size, location(s) and configuration of open space contribution to be determined with land owner at the pre-application stage of subdivision, or prior to a planning scheme amendment process)
