MESSAGE FROM THE MAYOR, CR MARK RADFORD

I am pleased to present the Horsham Rural City Council's Council Plan 2014-2018 which will guide us into what is a time of significant opportunity for the Horsham Rural City Council. The next four years offer us a great opportunity to continue to strengthen the municipality and deliver on important projects for the community.

The Council Plan outlines Council's key strategic objectives and strategic directions as we work to build a better municipality by delivering better services, facilities and opportunities for the community.

Council will continue its strong advocacy for projects including the following –

- Support upgrade of student accommodation and new facilities at Longerenong College

- Improved weather forecasting
- Duplication of the Western Highway to Stawell
- Total mobile phone coverage across the municipality
- Improved education and health outcomes for our community
- The retention of recreational lakes or other recreational water facilities with the purpose of securing water based recreation opportunities in the municipality
- Improved facilities at Horsham Police Station
- Improved residential aged care facilities
- For more flexibility and less onerous conditions in compliance in Environment Protection Authority requirements for landfill

The Council Plan gives appropriate importance to advocacy activities in order to achieve the best possible outcomes for the Horsham community.

Guided by the Council Plan, Horsham Rural City Council will continue to strive to achieve best value for its community and stakeholders and to ensure the community receives the most benefit from available resources.

Thank you to everyone who contributed to the 2014-2018 Council Plan. We hope that you will join us and take pride in what we have committed to as a community. We look forward to seeing the actions outlined here progressing over the next four years.

OUR COUNCILLORS

Horsham Rural City Council has seven Councillors elected every four years by the residents of the municipality. Voting is conducted via postal vote with the most recent election held on 27th October 2012.

The Councillors do not represent a particular area or "ward", they are elected to lead and represent the whole municipality. Each Councillor has a portfolio of local committees to attend, providing an invaluable link between the community and council.

The Mayor is elected for a one year period each November/December, voted in by the Councillors, selected from Councillors who wish to be candidates.

ABOUT COUNCIL

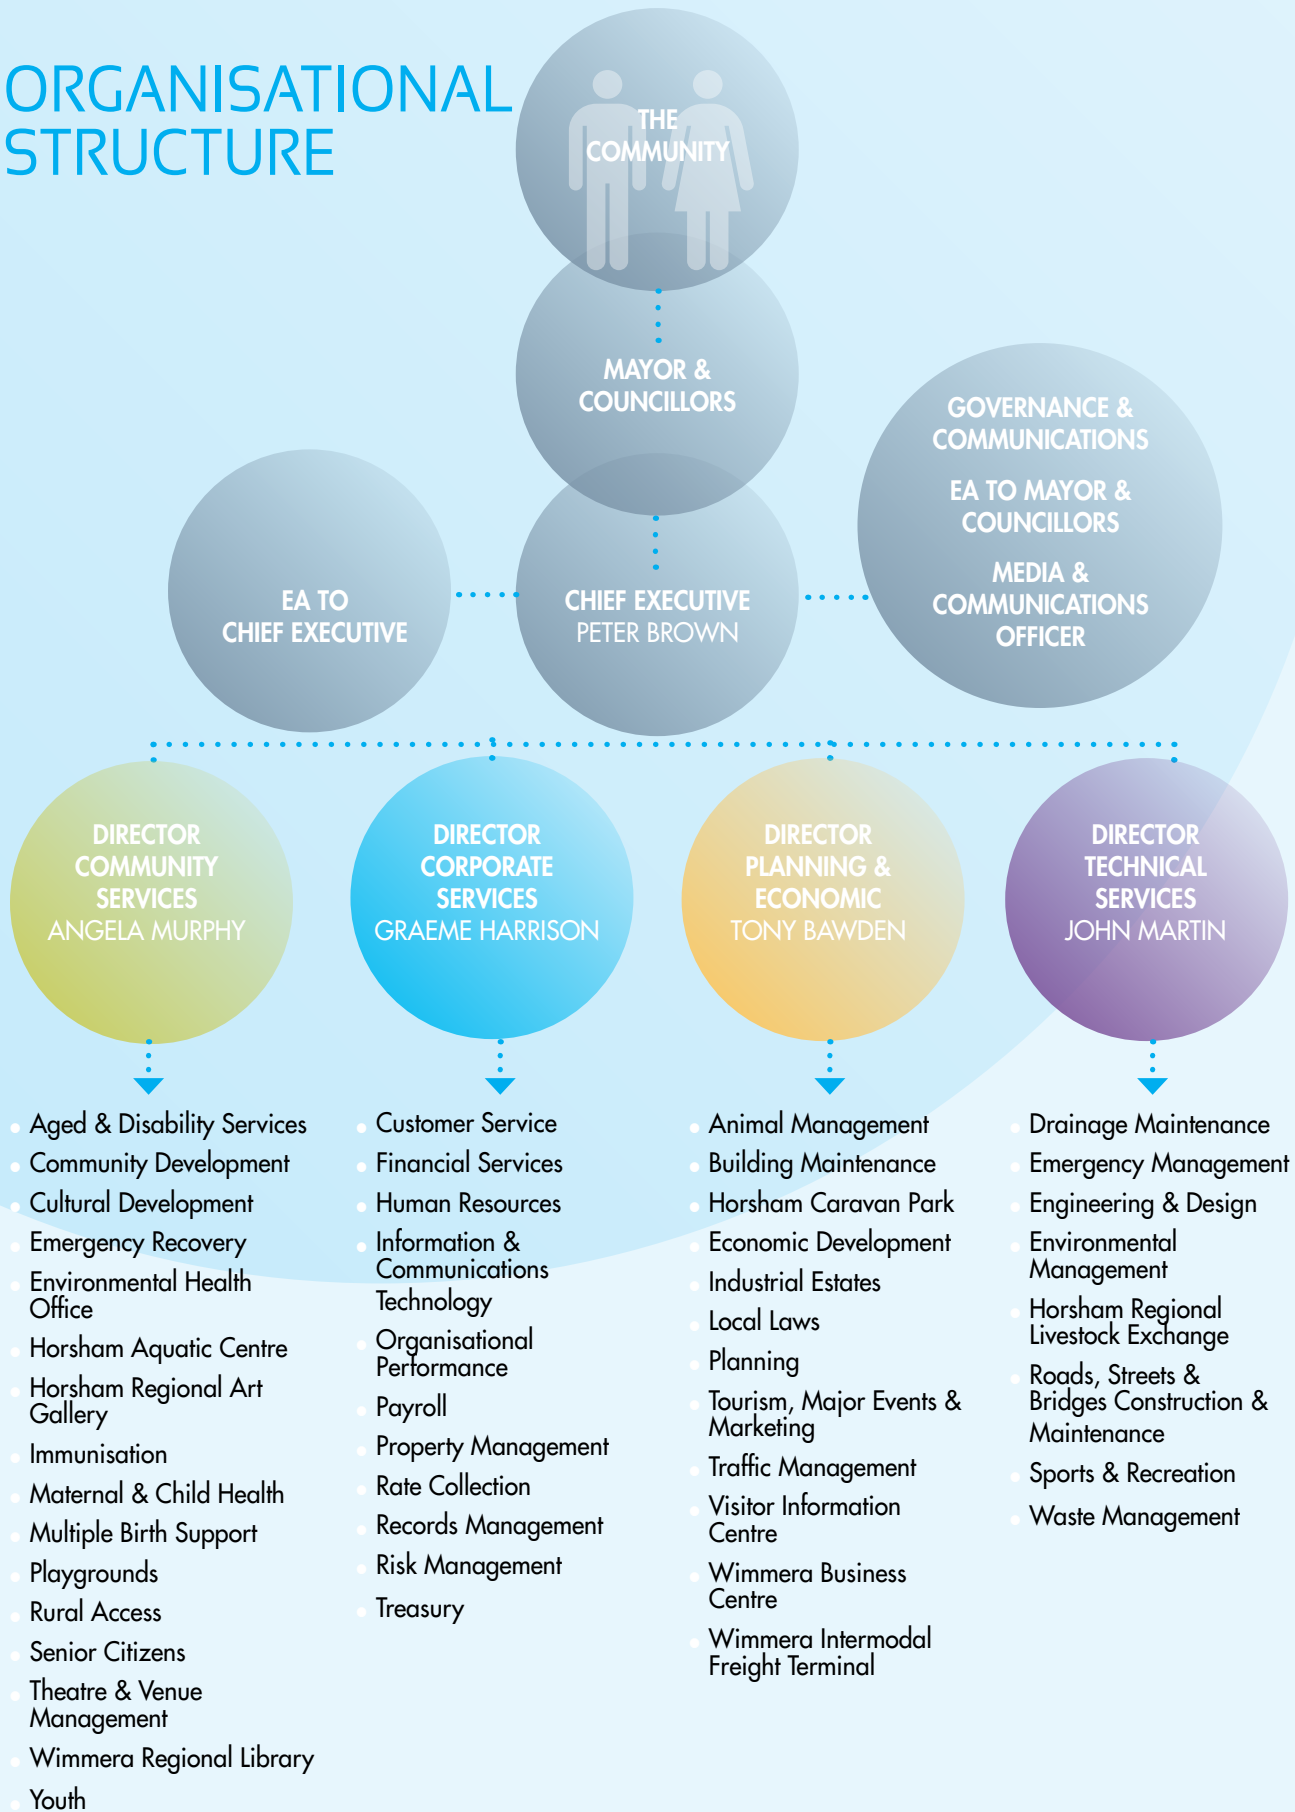

Council meetings are held on the first and third Monday of every month (excluding January) at the Civic Centre Municipal Office in Horsham commencing at 5.30 pm. Meetings are open to the general public and new employees are encouraged to attend to familiarise themselves with Council operations.

Reports surrounding Council Policies and other information required by Council are written by Senior Managers and Directors and presented at Council meetings for deliberation and adoption.

Details about meeting dates are advertised in the press and can be found on the HRCC website. Copies

of the agenda for each meeting of Council can be obtained by contacting the Executive Assistant to the Chief Executive. Council meeting agendas and minutes are also published on the HRCC website.

VISION

Horsham Rural City is a great place to live
– vibrant, inclusive and welcoming.

MISSION

Horsham Rural City Council, working with the community, will develop the municipality through strong leadership, vision, good governance, responsive services and quality infrastructure, whilst enhancing our liveability and natural environment

CORE VALUES

In pursuing its strategic objectives, Horsham Rural City Council believes in, and is committed to, the following values:

- We are accountable to our community for our decisions and actions
- We will seek creative, innovative solutions for continuous improvement in line with our vision for the future
- We will work with our community, government and agencies to deliver quality outcomes
- We will work together to lead our community in a professional manner
- We will be transparent in our work

ABOUT THE COUNCIL PLAN

The *Local Government Act 1989* requires all Victorian Councils to produce a four year Council Plan which must be reviewed annually. The 2014-18 Council Plan sets the strategic direction of Council over the next four years, linking the community's vision to Long-term community goals, Four-year outcomes and Four-year priorities for Horsham Rural City Council. The Council Plan provides direction to management and includes the indicators that Council will use to deliver key outcomes.

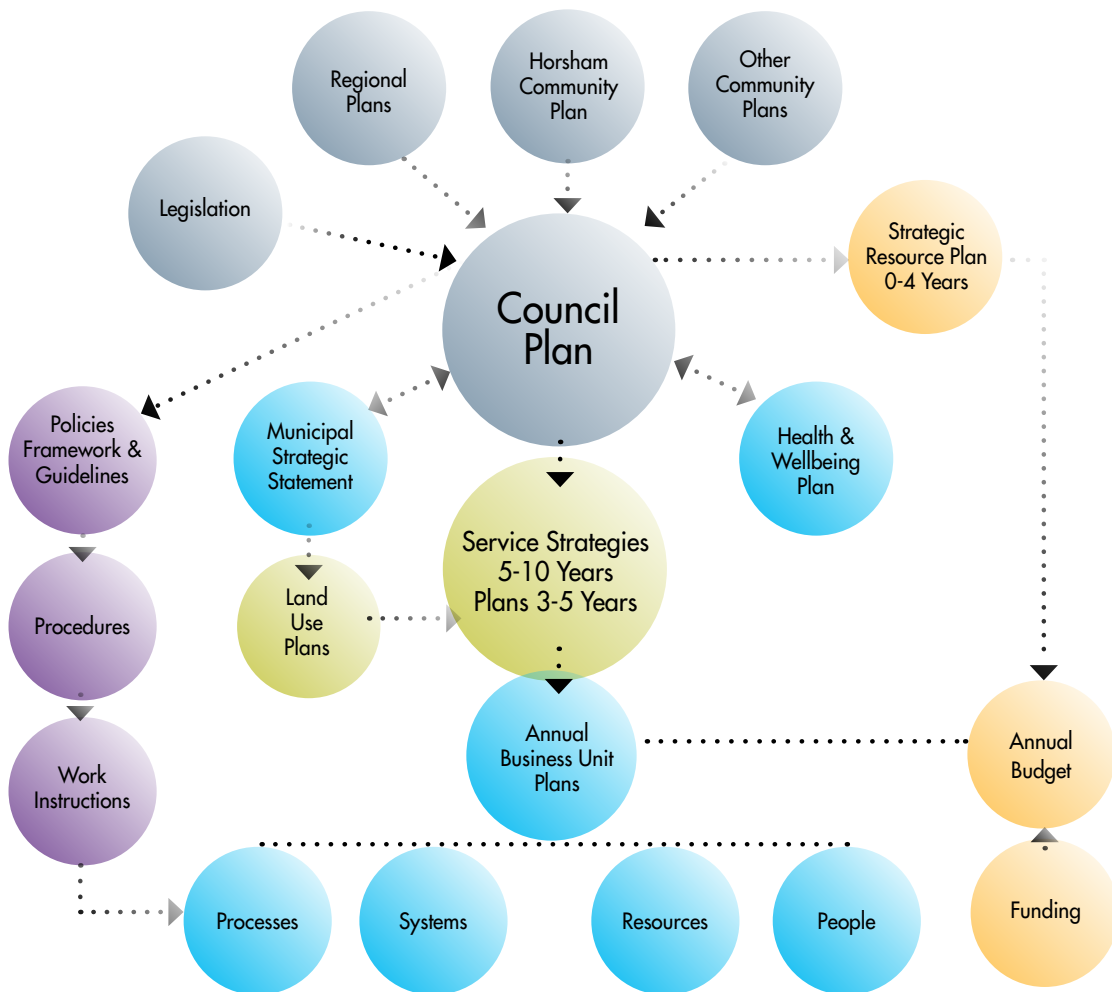

The Horsham Rural City Council Plan contains the following four goals:

1.  **Community and Cultural Development**

2.  **Sustaining the Economy and Environment**

3.  **Asset Management**

4.  **Governance and Business Excellence**

Council has taken the approach to have a four year rolling council plan that is reviewed and revised on an annual basis for the following four years. This year's review has seen a new format used that distinguishes between specific four year outcomes and priorities from those that can be directly linked to services that Council deliver and are essentially ongoing in nature. Council services have also been linked to each of the goals, and performance measures have been articulated as to how Council will track our progress against these measures.

There are a number of guiding principles that sit across each of the four goals as well as information on the external factors that are influencing our current plan. The new Local Government Performance Reporting Framework has also been incorporated in to the Council plans reportable measures.

A key component of the Council Plan is how this relates to Councils yearly budget process. As part of that budget process, a Strategic Resource Plan has been developed, which translates the requirements of the Council Plan in to a four year forward projection of Councils financial position and results. The Strategic Resource Plan is included as part of this Council Plan.

Other important documents in Council's Planning Framework are the Municipal Strategic Statement which is a requirement of the *Planning and Environment Act 1987*, and outlines Council's objectives for the future growth, development and management of land in the municipality, and sets out strategies to achieve these objectives. This statement is currently being reviewed and will be updated during 2014.

The Health and Well Being Plan is another important document that helps guide Council's decision making processes. It is a requirement under the *Public Health and Wellbeing Act 2008* and outlines goals and actions that guide Council in creating a local community in which people can achieve maximum health and wellbeing.

The Health and Wellbeing plan was updated and adopted by Council 18 November 2013.

OUR MUNICIPALITY

Horsham Rural City is a vibrant, diverse community situated approximately 300 kilometres north-west of Melbourne and north of the Grampians National Park, in the heart of the Wimmera region of Victoria. Horsham Rural City Council has a population of 19,687 and covers an area of 4,267 square kilometres. Almost three quarters of residents live in the urban area of Horsham.

Horsham is the major provider of retail, community and government services in the Wimmera, with dryland and broadacre agriculture

being our major industry. The Grains Innovation Park, a nationally acclaimed agricultural research centre, is based in Horsham. There are a range of quality educational and health care facilities including secondary colleges, a university and an agricultural college. We also have a diverse array of natural assets including recreational lakes, wetlands, the Wimmera River, Mount Arapiles, the Wartook Valley and the Grampians National Park is nearby.

Horsham Rural City Council includes the major centres of Horsham and Natimuk, and the localities of:

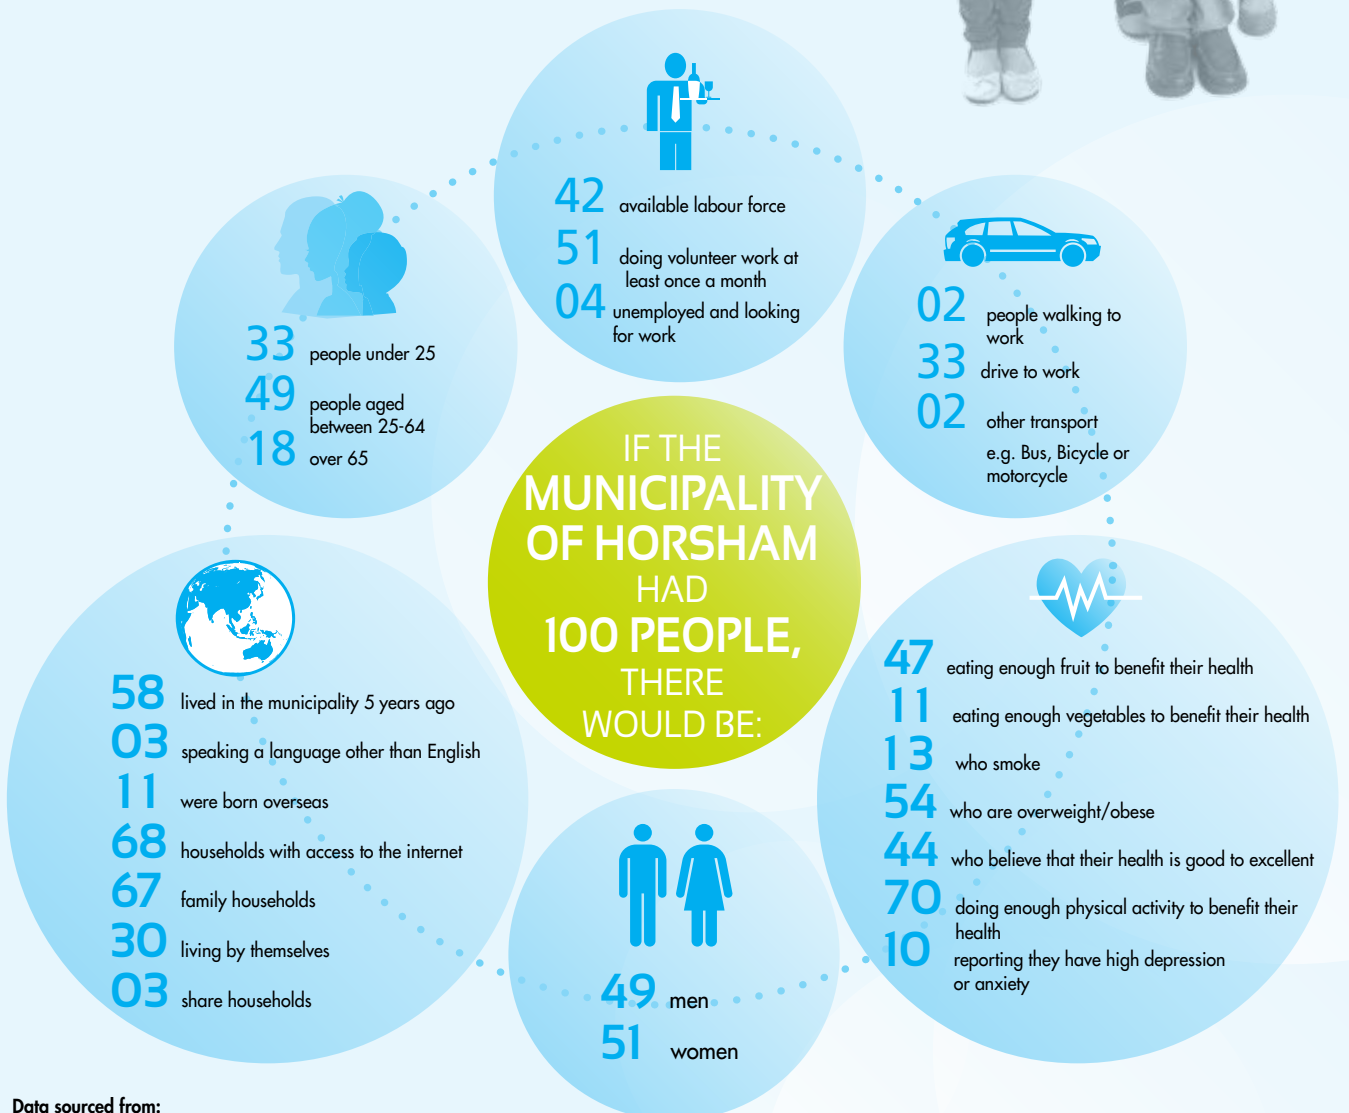

Arapiles, Blackheath, Brimpaen, Bungalally, Clear Lake, Dadswells Bridge, Dooen, Douglas, Drung, Duchembegarra, Grass Flat, Green Lake, Greenland Dam, Haven, Jilpanger, Jung, Kalkee, Kanagulk, Kewell, Laharum, Longerenong, Lower Norton, McKenzie Creek, Mitre, Mockinya, Mount Talbot, Murra Warra, Noradjuha, Nurrabel, Pimpinio, Quantong, Riverside, St Helens Plains, Telangatuk East, Tooan, Toolondo, Vectis, Wail, Wartook and Wonwondah.

GUIDING PRINCIPLES

The following principles inform the work that Council undertakes.

Horsham Rural City Council will:

- Recognise our place and importance as a regional centre
- Consult, engage and work transparently with the community
- Recognise and support the important role of volunteers in our community
- Liaise with Federal and State Government Ministers, Parliamentary representatives and neighbouring municipalities
- Monitor changes in Federal and State Government policies and their impact on the funding of Council service delivery
- Participate in appropriate peak state and regional level forums
- Recognise the important and ongoing place that all Indigenous people hold in our community
- Foster an environment that embraces diverse cultures as part of our community
- Promote and protect human rights
- Protect and promote the municipality as a safe place to live
- Attract and retain youth, professionals and people from diverse cultures to the municipality
- Provide information to the community in a variety of formats using plain language where possible
- Respect and protect our natural environment including waterways, indigenous plants and wildlife and local heritage
- Consider the impact of climate change in our key planning and building decisions
- Provide accessible and quality services in a timely and efficient manner
- Comply with all statutory reporting requirements
- Provide accountable financial management and reporting
- Evaluate refurbishment of appropriate Council assets before construction of new facilities

ADVOCACY

Advocacy on behalf of the Horsham and wider Wimmera community is an important role for the Council. We strive to work hard on a wide number of advocacy issues with our goal for the 2014-2018 Council Plan to advocate for the following:

- Improved weather forecasting including Bureau of Meteorology radar coverage
- The rebuilding of Horsham College
- Improved education and health outcomes for our community
- Total mobile phone coverage across the municipality
- The retention of recreational lakes or other recreational water facilities with the purpose of securing water based recreational opportunities in the municipality
- Improved facilities at Horsham Police Station
- Improved residential aged care facilities
- More flexibility and less onerous conditions in compliance with Environment Protection Authority requirements for landfill
- Support upgrade of student accommodation and new facilities at Longerenong College
- Investigate the relocation of the railway line from the centre of Horsham as part of the Horsham Road Bypass
- Encourage the establishment of a passenger air service from Horsham to Melbourne and Adelaide
- Duplication of the Western Highway and improved safety through to Stawell
- Cherrypool roadside toilets
- Passenger Rail
- Horsham Road Bypass (alignment) and construction

EXTERNAL
FACTORS
THAT INFORM THE
COUNCIL PLAN

Our economy is changing:

- The farming sector is diversifying as new technologies and practices are being adopted to adapt to global economic and climate changes
- The continued consolidation of farming enterprises to create larger corporate entities
- Mining in the municipality may increase, providing economic activity and employment opportunities
- Horsham is leading the way in cropping research
- We are a service centre for the region
- Rollout of the national broadband network will provide opportunities for the business and community sectors
- Changing technology will provide us with more innovative business opportunities especially around on-line retailing, e-commerce and social media
- Water savings from the Wimmera Mallee Pipeline system will provide more economic/business opportunities
- The Wimmera Intermodal Freight Terminal and surrounding precinct will provide numerous economic opportunities

Our community is changing:

- The municipality is continuing to experience some population increase, mainly with people moving to Horsham from surrounding areas
- Our population is ageing and baby boomers are looking to retire to a place that meets their needs
- There is an increase in people from diverse cultures moving to our municipality
- Volunteer groups need help in accessing funds, sourcing information and navigating their way through legislative and government requirements

To attract and retain people in our municipality, quality services and cultural activities are needed including:

- A range of public and private education facilities (from early years through to tertiary and lifelong learning)
- High quality acute, allied health, mental health and residential aged care services
- A choice of specialist health services and preventative health care programs
- Appropriate and affordable housing
- State-of-the-art cultural venues and events
- Opportunities for sport, recreation and physical activity (eg bike paths, Horsham Aquatic Centre)
- Efficient and effective public transport within Horsham and connecting to larger centres
- Opportunities for social connection

For the municipality to be a good place to live and preserve our natural environment we need to:

- Have connected and accessible urban environments
- Make greater use of assets such as the Wimmera River
- Maintain assets that meet the community's needs
- Better manage our green and hard waste and educate the community on recycling and energy efficiency

GOALS

GOAL 1 – COMMUNITY AND CULTURAL DEVELOPMENT

Develop Horsham and the municipality as a diverse, inclusive and vibrant community

We support our diverse community by developing an environment that aims to cater to the shifting needs of our residents. We support innovation and encourage artistic and cultural expression to develop our municipality as a great place to live.

GOAL 2 – SUSTAINING THE ECONOMY AND ENVIRONMENT

Lead in sustainable development and enhance the environment

As our community grows, so our region grows. We welcome new development and we aim to support enterprise, small and large whilst advocating for the community to shop locally. We continue to promote and develop sustainable projects and encourage environmental practice within Council and the community.

The goals that support the vision and what Horsham Rural City Council will do to achieve them:

GOAL 3 – ASSET MANAGEMENT

Meet community and service needs through provision and maintenance of infrastructure

We strive to ensure infrastructure is in place to support our growing community as well as upgrading and maintaining our infrastructure to attract more visitors to our municipality.

GOAL 4 – GOVERNANCE AND BUSINESS EXCELLENCE

Excel in communication, consultation, governance, leadership and responsible use of resources

Our goal is to excel in what we deliver and how we deliver it, both within Council and to our community. Our staff are our greatest asset so their wellbeing is key to learning and high performance.

HOW WE WILL REPORT ON OUR PERFORMANCE

Local Government Performance Reporting Framework

The Victorian Government has been working with councils to develop the Local Government Performance Reporting Framework (LGPRF) which will ensure that all councils are measuring and reporting on their performance in a consistent way.

The Local Government Amendment (Performance Reporting and Accountability) Act 2013, came into operation on 18 April 2014, and amended the *Local Government Act 1989* in preparation for Victoria's new performance reporting framework.

The new legislation and framework will improve public accountability, strategic and financial planning and reporting requirements across local government.

From July 2014, the LGPRF became mandatory for implementation by councils as part of the planning and reporting cycle for the 2014-15 financial year.

Councils will report against a standard set of performance indicators that will allow benchmarking of results. This will give the community better access to information about how their councils are performing across a range of areas.

Indicators have been developed across three thematic areas: service performance, financial performance and sustainability.

Throughout the 2013-2014 financial year, Horsham Rural City Council participated in the pilot program with Local Government Victoria (LGV) to trial the draft indicators of the proposed framework.

A comprehensive range of service areas were initially considered and eventually the local government refined the list to 11 common local government services plus 3 optional service areas. Horsham Rural City Council can also voluntarily develop indicators surrounding further service areas.

A Governance and Management checklist also forms part of the framework to ensure Horsham Rural City Council have appropriate Policies, Plans and Frameworks in place surrounding areas such as Risk, Emergencies, Assets, Fraud, Community Engagement, Financial Management.

STRATEGIC RESOURCE PLAN

HOW WE WILL RESOURCE OUR PLAN

Strategic Resource Plan

The Strategic Resource Plan identifies the financial and non financial resources required over the four-year period of 2014–18. The purpose of the Strategic Resource Plan is to ensure adequate resources are available to maintain services at levels established by the Council and to implement the Council Plan priorities. It also helps to establish a basis from which to measure Council's adherence to its policies and strategies and to plan for long term financial sustainability for the municipality.

Development of the plan

The four-year Council Financial Plan has been prepared in accordance with the requirements of the *Local Government Act 1989*. The Act requires the Council to prepare and approve a four-year Council Plan, including a Strategic Resource Plan. The Strategic Resource Plan includes a four-year financial estimate that comprises the standard statements of the Comprehensive Income Statement, Balance Sheet, Statement of Changes in Equity, Statement of Cash Flows, Statement of Capital Works, Statement of Human Resources, 4 year Capital Works Expenditure and a Summary of planned Human Resources Expenditure.

The Strategic Resource Plan is revised annually as part of the annual review of the Council Plan and is also informed through the annual budget process. Projections are based on Council's four year priorities and ongoing service delivery levels.

Economic environment and key financial assumptions

The Strategic Resource Plan is prepared and revised annually based on the latest economic and financial information available at the time of its preparation. As economic and financial variables change over time, the plan is adjusted accordingly to take account of these movements.

The key financial assumptions underpinning the Strategic Resource Plan are detailed in Table 1.

Table 1: Financial assumptions of Strategic Resource Plan

	2014-15	2015-16	2016-17	2017-18
Rates increase	5.0%	5.0%	5.0%	5.0%
CPI	2.5%	2.5%	2.5%	2.5%
Total revenue increase	1.0%	-0.4%	2.7%	0.2%
Total cost increase	3.7%	4.4%	2.6%	2.4%
Investment returns	3.0%	3.0%	3.0%	3.0%

The Strategic Resource Plan was developed through a rigorous process, and is based on the following key information:

- Audited financial statements as at 30 June 2013
- 2014-15 Council Budget
- A range of assumptions about changes in future income and expenditure associated with meeting current levels of services
- Economic environment - financial indicators based on external sources.
- The need to comply with the principles of sound financial management as contained in the Act:
- Prudently manage financial risks relating to debt, assets and liabilities.
- Provide reasonable stability in the level of rate burden.
- Consider the financial effects of Council decisions on future generations.
- Provide full, accurate and timely disclosure of financial information.

KEY OBJECTIVES OF THE FINANCIAL PLAN

The key objectives that underpin the Financial Plan include:

- Maintain the existing range and level of service provision and where possible develop the capacity to grow and add new services
- Maintain a strong cash position, ensuring that Council remains financially sustainable in the long term
- A trend towards an underlying operating surplus
- Maintain debt levels below prudential guidelines
- Continue to pursue recurrent grant funding for strategic capital funds from the state and federal governments
- Provide for rate increases that establish a sustainable funding level, including increasing capital funding for asset renewal. A modest increase in rates is planned at 5% over the life of the Strategic Resource Plan. This reflects expected general cost increases but does not allow for continued growth in service demand across the municipality. Any growth will need to be met through improving efficiencies in existing operations and services.
- Ensure critical asset renewal items are funded annually over the timeframe of the plan.
- Rating strategy that provides stability in the rate burden

The Council recognises the need for long-term financial planning and will embark on the development of a 10 year Financial Plan in future updates.
