

## Community Grants recipients announced

Horsham Rural City Council is providing local groups with \$441,269 in funding via this year's Community Grants Program announced at Monday's April Council Meeting.

The grants give community groups a chance to seek funds for projects and events that benefit the community at large, when funds are not readily available from other sources.

A ranking system was used to assess the applications for 2023-24 before the final list was presented to Councillors for consideration.

Council received 80 community grant applications for specific projects, with 69 per cent successful.

#### COMMUNITY DEMAND FOR FLIGHTS FROM AND TO HORSHAM

Council has started work on a Regional City Flight Hub Masterplan which will guide development of the Horsham Aerodrome for the next 20 to 50 years.

To better understand the future of the aerodrome, we need to know if our community might use commercial flights in the future.

People can share their opinions by completing a survey on the HRCC website and in paper copy form available at the Civic Centre.

### FOR SALE HOUSE FOR REMOVAL

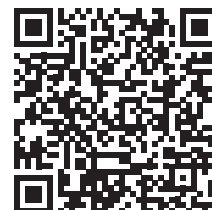

Council is seeking buyers interested in purchasing and relocating a house at 12-14 Pynsent Street.

The weatherboard dwelling is surplus to Council's needs.

The successful buyer would be responsible for disconnecting services and moving the house in a safe and responsible manner.

Parties interested in salvaging the house after demolishing on site may also respond.

Bids are invited from interested parties via the HRCC website.

### BRIDGE UPDATE

With the new Hamilton Street Pedestrian Bridge now spanning the Wimmera River, attention has shifted to completing the ramps and boardwalks that will link up with existing pathways.

The last of five main sections of the bridge was installed last week.

But work will continue well into next month as adjoining paths, feature lighting and landscaping are completed.

Contractors are also adding finishing touches to the bridge's stainless steel handrails.

It will be open for use by June.

### NOTICE OF INTENTION TO AMEND ROAD MANAGEMENT PLAN

In accordance with the Road Management Act 2004 (Act), Horsham Rural City Council gives notice that it proposes to amend its Road Management Plan (RMP).

The RMP details the standards in relation to, and the priorities to be given to, the inspection, maintenance and repairs of roads, road related infrastructure and pathways to which the RMP applies.

The purpose of the review, consistent with the role, function and responsibilities of Council as a Road Authority under the Act, is to clarify the work process and intervention standards in relation to some minor, unformed roads in rural areas, and overhanging vegetation on footpaths in urban areas.

Copies of the draft amended RMP may be inspected at HRCC's office at Roberts Ave, Horsham, or via Council's website, [www.hrcc.vic.gov.au](http://www.hrcc.vic.gov.au)

Any person proposing to make a written submission on the proposed amendment must do so before 5pm on Friday 26 May 2023.

Submissions should be posted to Chief Executive Officer, HRCC, PO Box 511, Horsham, 3402, or sent by email to [council@hrcc.vic.gov.au](mailto:council@hrcc.vic.gov.au).

Enquiries about the RMP should be directed to the Director Infrastructure on (03) 5382 9777.
